

## LICENSED PLUMBER

Position: PLB001

Location: Halifax Regional Municipality

### Description

At Alpine Water Systems, we take pride in delivering superior products and service. Operating in the Maritimes over the past few years, we have been providing bottle-less solutions to homes, offices and schools. Are you ready to join our fast growing company?

We are currently seeking an experienced Plumber who will be responsible for installing various water filtration systems.

### Duties:

- Must have good communication skills
- Ability to perform service/maintenance on commercial sites for all plumbing services needed
- Ability to follow/locate plumbing diagrams and schematics
- Ability to solder/weld/braze and perform minor fabrication
- Ability to work overtime/night/weekend hours as required
- Must have the ability to be part of a team; must work with and assist other co-workers as needed

### Qualifications:

- High School diploma or GED
- Journeyman/Contractors license
- 5-10 years experience or any equivalent combination of experience and/or education from which comparable knowledge, skills, and abilities have been achieved

### Security and Safety:

Bondable, Basic security clearance, Criminal record check, Driving record check (abstract)

### Compensation:

\$30-\$55 per Hour; based on qualifications and experience.

### How to Apply:

*Please send your resume to [info@alpinewater.ca](mailto:info@alpinewater.ca) and quote the position in subject line. We thank all applicants who apply, however, only those candidates selected for an interview will be contacted.*
